** Time held up shooting is taken into account where teams were late to finish, or finished at the same time and with the same total.*

Allocation of Shooting Points: 2-3 person teams had a maximum of 100 points for the rifle shooting and the 4 person teams had a maximum of 200 points.

Points Tied: Where teams points were tied, places were determined by which team finished first. This is calculated by how many late penalties there were.
